Smoke Mask

This Mask was made for escaping in fire or chemical dangerous cargo leaking or toxic-gas attacking accidents. The Mask provides respiratory, head and eye protection to facilitate evacuation from hazardous fire and toxic gas atmospheres. This Mask effectively protects the wearer for a minimum of 60 minutes from smoke and toxic gases.

Main Technical Performance:

Gas Type	項目	Concentration	Data
Anti - Hydrogen Cyanide (HCN)	防氫氰酸	0.04%	>60 min
Anti - Carbon Monoxide (CO)	防一氧化碳	0.25%	>60 min
Anti - Sarin	防沙林	16ml/m3	>120 min
